BISLEY OFFICE FURNITURE

The '10C303HQ Unit with Extension Elements' submitted for testing, has satisfied the relevant requirements of BS EN 14074:2004 BS EN 14073-2: 2004 and BS EN 14073-3: 2004

As the '10C303HQ Unit with Extension Elements' submitted for testing is representative of the whole range of the same construction, based on the evidence supplied by Bisley Office Furniture, SATRA would also consider the other smaller units in the range to also meet the relevant strength requirements of BS EN 14074 2004 and BS EN 14073: 2004 Parts 2 and 3 (any changes to the range will invalidate the certification).
