Specification

**BISLEY**

We provide the Outline; you do the rest.

Outline frames are a step away from traditional home storage and display. Ideal for subtle space division in open-plan living, or placed against a wall, these beautiful, sleek steel frames come in all our Bisley colours and can be accessorized with matching steel or wooden shelves.

There are a selection of floor standing frame options, ranging from two-tier to five-tier high. With a choice of two depths to suite perfectly with our existing range, all frames are available with either steel or oak wood shelves.

# Features

Made in the UK.

Ten-year guarantee.

34 steel colours available as standard.

Eight laminate finishes available as standard.

No self-assembly required.

## Benefits

**Elegant and versatile design** - Fitting perfectly into the homeplace, Outline's sleek and minimalist look allows you to fill in the details. Choose between decorative display and/or storage to add a unique, personal touch to your Outline frames or desking.

**Seamless finish** - Outline's seamless, hand welded steel construction creates sleek space division without building walls.

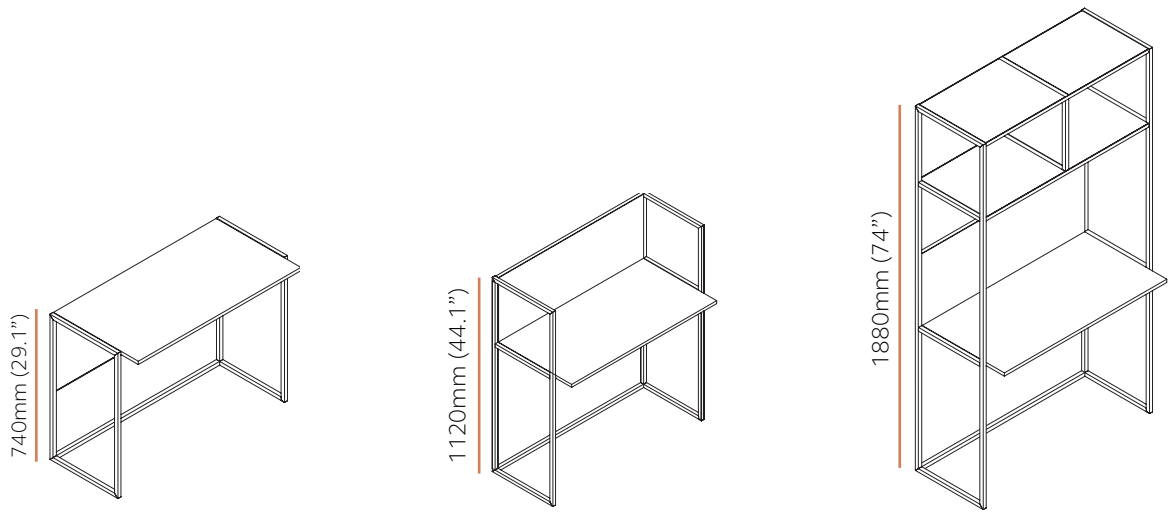

**Extensive range of finishes** - Select from our extensive range of finishes to create an Outline completely bespoke to you. Choose from vibrant paint colours for the stylish welded frame and introduce warm wood tones with Outline's desktop range of customisable accessories.

**Combine materials** - Create contrast with colours or combine materials by opting for either wood or steel shelves or storage fronts. Our beautiful range of finishes mean you can mix or match your storage to achieve your desired style.
