MOVING CUP

The magnetic pen holder Moving Cup is a practical accessory at work. The reduced Moving Cup can be easily pinned to the Moving Wall as well as to the Moving Panel and holds markers as well as cloths and other necessary work utensils. With its convenient size, the pen holder is no hindrance on the wall and takes up little space on the desk.

MOVING RAILS

The rail system of magnetic aluminium profiles, Moving Rails allows for the attachment of the mobile Moving Panel and Moving Acoustic Panel to the wall. With the help of the Moving Rails, the writeable presentation surfaces in both sizes as well as the acoustic panel can be used and combined on a large-scale and temporarily on the wall. The Moving Rails are available in three sizes respectively.
