

# Poise by Bisley

**BISLEY**

Belong wherever you work

Balance productivity and style,  
no matter where you work.

Create a sanctuary wherever you work with our new Poise range. Poise works beautifully as a standalone piece or suites stylishly together as a collection. Made out of natural materials, the minimalist ply contrasts exquisitely with the steel and aluminium, adding a sweep of colour to your workspace.

# Poise

“When your place of work shifts from day to day, having a dependable, personal space maintains a sense of connection.”

Richard Costin, CEO

## Poise Desk

Pair with pieces from the Poise range or style as a standalone feature. The understated, natural edge ply worktop and tapered oak legs contrast beautifully with the steel under-desk shelving, adding a sweep of colour to your workspace.

## Poise Coffee Table

The Poise Coffee Table means that you can break up your working day, with space to recharge, take 5 or collaborate. A place to stow your laptop in-between meetings or when the day is done, the Poise Coffee Table ensures that you can relax in comfort.

### Poise Sideboard

The Poise Sideboard provides an understated, minimalist place to pop your printer and other office essentials. Crafted from laminated white plywood, it features the unique Poise legs and adjustable interior shelving behind the sliding steel doors.

### Poise Task Table

A space saver with a sleek aluminium contour, the Poise Task Table can adapt to your environment, providing a perch point to work, wherever you're sitting.

## FINISHES

The Poise desktops and carcasses are plywood with exposed edges and a white laminate face. All steel and aluminium elements are available in a choice of 34 paint colours from the Vision colour palette.
