### **Registration details**

#### **This is proof of your registration**

- Contact name: Glyn Rowles
- Telephone number: 01633 637320
- Your registration number is: CBDL9304
- Registered on: Thursday 23rd February 2017

Your registration will last indefinitely so does not need to be renewed but you must update your registration details if they change, within 28 days of the change.

You can do this by going to the website

[https://www.wastecarriersregistration.naturalresourceswales.gov.uk/en/users/sign\\_in](https://www.wastecarriersregistration.naturalresourceswales.gov.uk/en/users/sign_in) and logging in using your email and password.

### **Lower tier registration**

You are registered as a lower tier waste carrier, broker or dealer under The Waste (England and Wales) Regulations 2011 because you have declared that you meet one of the following criteria:

- You only transport your own business waste, unless it is construction or demolition waste
- You are a charity or voluntary organisation
- You are a waste collection authority, a waste disposal authority or a waste regulation authority
- You only handle animal by-products, waste from a mine or quarry or waste from premises used for agriculture

### **Legal responsibilities for waste**

If you produce, carry, import, keep, treat or dispose of waste, or manage it for other people, you have a legal 'duty of care' for that waste. The duty of care aims to protect the environment and human health. There are some simple rules you must follow:

- If you give your waste to another person or business you must check they are properly authorised to accept it, e.g. as a permitted site or a registered waste carrier
- Make sure the correct documentation is completed for each transfer of waste and that it correctly describes the waste
- Make sure any waste is safely handled and stored
- Minimise the environmental impact of waste by prioritising waste prevention, re-use, recycling and recovery over disposal. This is known as applying the 'waste hierarchy'

Please contact Natural Resources Wales if you have any enquiries.
