Our Ref GR/REACH/05-19

REACH Statement

Bisley Office Furniture Limited / F C Brown (Steel Equipment) Limited, does not directly import or formulate any of the chemicals covered by REACH regulations and are classified as a downstream user.

All chemicals and preparations used during the production of Bisley products are in accordance with instructions for use set out by chemical or substance suppliers.

Consultation and discussion with our suppliers has established materials supplied to Bisley Office Furniture Limited / F C Brown (Steel Equipment) Limited, are sourced within the European Union. Any substances that are being considered by The European Chemical Agency (ECHA) and requirements relating to the compliance issues of REACH are reviewed in the first instance by our suppliers and secondly by Bisley Office Furniture Limited / F C Brown (Steel Equipment) Limited through an independent REACH updating service, which the Company is a member.

After undertaking the above, we confirm that Bisley products supplied to our customers do not, to the best of our knowledge, contain any substances, preparations or products that have either not already been registered by our suppliers or are in contravention of the regulatory requirements as stated within REACH regulations.

Bisley has no registration obligations under REACH as we are a manufacturer of articles / products with no intended or foreseeable release and therefore the requirements of REACH regulations do not apply to Bisley products.
