## Industrial Storage

Bisley ToolStor workshop cupboards are versatile and durable enough to suit any environment. The cupboards come in several modular sizes, and have a comprehensive range of flexible internal configurations, making it easy to combine them with other ToolStor cabinets. The cupboards can be customised and fitted with various layouts of drawers, shelves, perforated panels, louvre panels, plastic storage bins and worktops at any point in their life span.

### Uniquely designed and well engineered workshop storage

Fully secure and durable enough to suit any environment

Variety of sizes, colours and internal configurations to suit many applications

Heavy duty industrial doors

10 year guarantee

Made in the UK
