## LateralFile Lodge

LateralFile Lodges are the perfect personal storage solution for any office environment. Available in a range of sizes, they fit perfectly together to create banks of continuity and design symmetry and can be combined with other Bisley office furniture. Flexible and stylish, they can be used to define spaces as well as act as visual or traffic barriers; the 6-person Lodge can even be used as an additional touch-down or meeting area. The multitude of customisable colour and finish options allow easy coordination with existing design schemes and makes creating impactful brand statements simple and easy.
