MonoBloc Lockers

Peace of mind comes as standard with Bisley lockers. MonoBloc lockers are sturdy and long-lasting. Their built-in flexibility - they bolt on to each other so you can build up or down - means you can adapt them to fit your organisation's needs exactly. Hard wearing and highly secure, MonoBloc lockers are the perfect back office or changing room solution for individual storage and for organised and productive workplaces.

A durable and adaptable locker designed for industrial and back office settings

Available in banks of up to four columns in one, two, three and four door options

Clean/dirty divide available with included ventilation

Additional features such as sloping tops and benching available

Range of colour options

Selection of locks as standard

10 year guarantee
